

STEP2級面接 音読&応答演習

- *Read the passage below and put down your answers to the following questions.*

Reducing Waste

Most supermarkets have free plastic bags for shoppers to carry home what they buy. These are convenient, but using plastic bags causes an increase in the amount of garbage. To deal with this problem, some supermarkets now ask shoppers to pay for the bags they use. This is to encourage people to bring their own shopping bags and think about the environment.

Questions

- No. 1 According to the passage, what problem does using plastic bags create?
