

STEP2級面接 音読&応答演習

- *Read the passage below and put down your answers to the following questions.*

Volunteers Abroad

More and more people are going to other countries to work as volunteers. When they go abroad, they sometimes face problems caused by differences in language and culture. But, with their knowledge and skills, volunteers can help people to improve their lives. Also, the volunteers themselves benefit because working with local people allows them to have experiences that money can't buy.
